Are you an AFSCME-represented employee facing financial hardship?

Have you or a financially contributing member of your household recently become unemployed or had your hours reduced?

Have you experienced a medical emergency that left you with unplanned bills and unpaid time?

Have you undergone a significant life event resulting in housing, transportation or food insecurity?

LOCAL 328'S 2019-2022 CONTRACT WITH OHSU ESTABLISHED A DEDICATED HARDSHIP FUND TO ASSIST OUR REPRESENTED EMPLOYEES.

Email getsmart@oregonafscme.org to request assistance.

These funds may not be used to replace income lost as a result of discipline.

The fund is not meant to assist with failure to pay bills due to "falling behind"

(rather than due to a specific extenuating circumstance).
